Education

Bachelor of Technology in Computer Science, VIT Bhopal (CGPA: 8.78)

CBSE Class 12, SOS Hermann Gmeiner School, Jammu

CBSE Class 10, SOS Hermann Gmeiner School, Jammu

Experience

Technical Experience, VIT Bhopal

- Participated in two hackathons, collaborated with diverse teams under tight deadlines.
- Gained experience in adapting to new technologies, optimizing workflows, and rapid prototyping.

Projects

Currency Converter Web App

- Built a responsive currency converter app with real-time exchange rates using external APIs.
- Used React hooks for input handling, and Tailwind CSS for UI responsiveness.

Reware – Modern Barter Platform

- Developed a platform enabling users to exchange goods without currency.
- Integrated authentication, listing interfaces, and match-based exchanges to streamline barter.
